Giving Shape to Ideas

AccurioJet 30000

The AccurioJet 30000 is the next generation of High Speed UV InkJet printing. Konica Minolta has built upon the highly stable, proven technology of the KM-1 and created an enhanced High Definition digital press platform. The AccurioJet 30000 incorporates a new Inking System with M913 printheads for improved image quality. Our patented Dot Freeze Technology™ gives superior image quality rivaling offset. The inkjet manager now has a pre-ripping function with increased processing power to streamline your workflow. The AccurioJet 30000 has set a new standard to digital printing.
